TONBRIDGE
SCHOOL

15th February 2008

Dear Parents,

Thank you for reply regarding the CCF Open Day. I enclose a programme and a location map showing the positions of the various stands.

The reviewing officer and guest of honour, Commodore Steve Kirby, will be reviewing an RN section Guard of Honour at 2pm on the quad, and all guests are invited to watch the ceremony from the edge of the Head. I suggest you try to be in place by 1.50. Please note that parking on the quad won't be available. There are some spaces on the roads near school and at houses, but many now have 2 hour time restrictions. I enclose a map showing the locations of the town car parks. I am sorry for this inconvenience, but we are currently restricted whilst the Sports and Media Centre is under construction.

Should you have any elderly or disabled guests with you, we can arrange parking on site. Please contact the adjutant, Capt M F Brennan, for a special pass.

Even if the sun is shining, it can still be extremely cold when you are out and about on our rather exposed site, and there are areas which can be quite muddy. Please ensure that you have suitable warm clothes and appropriate footwear.

Tea will be served between 4.00 and 4.30, after which there will be an inter-section log run followed by a grand finale. This will involve the firing of blank ammunition. Spectator areas will be clearly marked, and I would be grateful if you could ensure that any younger children are kept behind the roped off areas.

I look forward to welcoming you on March 12th.

Yours sincerely,

Commander I N Lucas, (CCF) RNR
Commanding Officer Tonbridge School CCF
