

TONBRIDGE SCHOOL

Laptop computer scheme 2011

Over the last few years the pace of technological change has shown no let-up, providing schools such as Tonbridge with enormous opportunities to develop their ICT provision, both in and out of the classroom. We now have a significantly enhanced network which has allowed us, amongst other developments, to offer the opportunity for boys to connect laptops to our system. This enables boys to use the full range of school software, access to their work, and internet access, in addition to the capabilities of the laptop itself. Boys connecting laptops to the network are bound by our Acceptable Use Policy, and are subject to the same web filtering and other controls as the rest of the school. The school does not, however, require boys to purchase laptops: all boarders have network connections at their desks and for those without a laptops a thin client can be issued which provides most of the functionality of a full desktop PC. Day houses, and many other areas within the school, are wi-fi enabled.

Until recently we limited access to laptops bought through the Tonbridge School scheme: advances in our understanding of the network now allow boys to connect any laptop to the system, and still have access to their own work, the school intranet and school installed software. However, we still encourage parents to buy through the scheme which is run through an Oxfordshire company, EAC Network Solutions. Please note that the school does not receive any payment for laptops bought through the scheme.

There are many advantages to the laptops which can be purchased through the scheme. EAC offers competitive prices which include software configured to the school's requirements, delivery, and support from both EAC and the Tonbridge School ICT Services department (which is not available for those with non-scheme laptops), and further optional purchase of insurance, accidental damage cover and other items.

We have chosen three Dell Vostro models, a robust range designed with the educational market in mind. We have, as a school, worked with Dell for some years, and have been particularly impressed by their award-winning next business day cover. Should your son's laptop develop a problem then a Dell engineer will be on site by the next working day, anywhere in the world (within reason). You may be interested to know that schools such as Eton, King's Canterbury and Wycombe Abbey also supply Dell laptops exclusively to their pupils.

Full details of the scheme are contained in the centre pages of this brochure, and there is an order form on the back page: please post or fax the form to EAC, from whom you may also request an electronic order form by e-mail. Laptops can be delivered either to your home address or to the school's ICT Services department, ready to be picked up when your son arrives at school. The simplest way to achieve this is to order from EAC by Friday 29th July and ask for delivery to the school.

If you wish to discuss any of the systems or options, please contact EAC on 01844 215050 during normal office hours, and let them know you are a Tonbridge School parent. They will be happy to answer any questions you may have.

Ian Lucas

[†]Colour options: You can choose to change the colour from Silver to Red or Brass, see the order form for details.

Included as Standard:

- ✓ Microsoft Windows 7 Professional
- ✓ Microsoft Office 2010 Professional
- ✓ 3 Years Next Business Day on-site Warranty
- ✓ Carry Case*
- ✓ Sophos Anti-virus Protection
- ✓ Delivery

Optional Extras:

- ✓ 4GB Flash Drive
- ✓ USB Optical Mouse
- ✓ Security Locking Device
- ✓ 3 Years Theft Insurance
- ✓ 3 Years Accidental Damage Cover (collect & return)

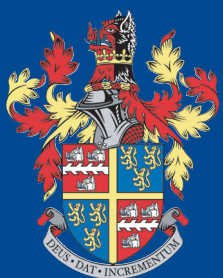

* Please note that a carry case comes as standard with the Tonbridge school bundle, please indicate on the order form your preference between a Briefcase style case or a Rucksack style.

Please Note:

All Systems described above fulfil the hardware specification requirements detailed by Tonbridge School to enable pupils to connect to the internal network and to utilise the facilities.

Which System Should You Choose?

- The Dell Vostro 3350 is a mid-range laptop offering excellent value for money, a 13.3 inch display, a DVD-RW drive and a i5-2410M 2.30GHz processor.
- The Dell Vostro 3550 is a mid-range laptop offering excellent value for money, with a larger 15.6 inch display, a DVD-RW drive and a i5-2410M processor and 4GB memory.
- The Dell Vostro 3750 is a high-end laptop offering excellent value for money, a larger 17.3 inch display, a DVD-RW drive and a faster i7-2630QM 2.0GHz processor. The 3750 comes with an integrated 1GB graphics card and a 500GB Hard Disc Drive.

Optional Extras:

4 GB Flash Drive: This is a USB device that allows for very fast back ups of data that can be quickly transferred from one machine to another. This is a very useful device, highly recommended. A 4 GB Flash Drive is £23.50 (inc VAT).

USB Optical Mouse: Makes the laptop much easier to use and is highly recommended. A USB Optical Mouse is £15.00 (inc VAT).

Theft Insurance: This policy will insure the machines whilst at School, at home and abroad. The policy does not cover machines that are left unattended in a public place (Please contact EAC for full “Terms & Conditions”). The 3 Years Theft Insurance is £105.00 (not subject to VAT).

Security Locking Device: This Device will secure the laptop to something immovable and will stop opportunist theft. This locking device is strongly recommended. A Locking Device is £35.75 (inc. VAT).

3 Years Accidental Damage Cover: If you spill a drink on your notebook or drop it, did you realise you are not covered with standard warranty? This policy will cover the machine against these types of accidents and has no excess or administration fee. The machine will be collected, repaired and returned as this is not an on-site service. (Please contact EAC for full “Terms & Conditions”). The 3 Years Accidental Damage Cover is £114.00 (inc. VAT).

3 Years Next Business Day On-Site Warranty.

It is important that the computer has comprehensive warranty cover because replacement parts can be very expensive. Included within the standard package is an extended, 3 year, next business day, on-site warranty. This will mean that all parts and labour will be covered free of charge, for any warranty claim, for the duration of three years and furthermore, an engineer from Dell will visit the school or your home next normal working day (Monday to Friday) to carry out any necessary repairs

Microsoft Office 2010 professional

We have selected Microsoft Office 2010 Professional as the recommended application software suite and Windows 7 Professional as the recommended operating system. The standard packages include a license to use these versions of Office and Windows. Please note that Tonbridge IT Services will not perform updates to newer versions. Only current and compatible previous School standard versions of software will be supported at any given time.

Virus Protection

Your laptop will come with SOPHOS virus protection pre-installed. The price includes all updates to keep the protection current and these will be provided automatically via the network connection.

Payment

All order forms should be sent to EAC. Please send a cheque with the order form or provide credit card details. If payment is to be made by bank transfer or with a cheque from an overseas account or by Credit Card, there will be a small additional charge of £20.00 to cover the increased transaction costs. **(Please note that orders cannot be fulfilled unless payment has been received)** Payment cannot be made through the School fees account.

Delivery

Deliveries of systems can be made to the School or to a pupil's UK home address. However, we recommend that the laptop is delivered to the ICT Services Department at school.

Further Information

If you wish to discuss any of the systems or options prior to making a decision, then please telephone EAC on 01844 215050, during normal office hours, and let them know that you are a parent of a pupil at Tonbridge School.

TONBRIDGE SCHOOL

Laptop computer scheme 2011 ORDER FORM

1. If you would like to order a system together with any of the optional extras, then please complete the contact information details below (please use BLOCK CAPITALS)

Parent's Name	<input type="text"/>		
Contact Tel No	<input type="text"/>	Email address	<input type="text"/>
Correspondence Address for invoicing	<input type="text"/> <input type="text"/> <input type="text"/>		
	Delivery address if not to school		
	<input type="text"/> <input type="text"/> <input type="text"/>		
Pupil's Forename	<input type="text"/>	Pupil's Surname	<input type="text"/>
Year Group (1-5)	<input type="text"/>	House	<input type="text"/>

2. Complete the following boxes to order the system(s) that you require, together with any of the additional elements:

	Qty			
Model	<input type="checkbox"/>	Dell Vostro 3350	£936.00 (inc VAT)	£ <input type="text"/>
	<input type="checkbox"/>	Dell Vostro 3550	£876.00 (inc VAT)	£ <input type="text"/>
	<input type="checkbox"/>	Dell Vostro 3750	£1212.00 (inc VAT)	£ <input type="text"/>
Optional Extras	<input type="checkbox"/>	3 Years Theft Cover	£105.00 (not subject to VAT)	£ <input type="text"/>
	<input type="checkbox"/>	3 Years Accidental Damage Cover	£114.00 (inc VAT)	£ <input type="text"/>
	<input type="checkbox"/>	4 GB Flash Drive	£23.50 (inc VAT)	£ <input type="text"/>
	<input type="checkbox"/>	Security Locking Device	£35.75 (inc VAT)	£ <input type="text"/>
	<input type="checkbox"/>	USB Optical Mouse	£15.00 (inc VAT)	£ <input type="text"/>
	<input type="checkbox"/>	Machine Colour Brass	Free of charge	£ <input type="text"/>
	<input type="checkbox"/>	Machine Colour Red	Free of charge	£ <input type="text"/>
	<input type="checkbox"/>	Add £20 if payment is to be from overseas bank, by bank transfer or Credit Card		£ <input type="text"/>
			TOTAL ORDER (inc VAT)	£ <input type="text"/>

Please indicate carry case preference Briefcase style Rucksack style

3. Please indicate below your chosen payment method:

I wish to pay by cheque (please enclose a cheque with your order)

I wish to pay by credit card/switch (please provide details below)

If you wish to pay by either MasterCard or Visa, please complete the following information:

Card type (MasterCard/Visa)	<input type="text"/>	Name on Card	<input type="text"/>		
Card No	<input type="text"/>	Valid from	<input type="text"/>	Valid to	<input type="text"/>
		Security Code	<input type="text"/>		

4. Please print your name, date and sign this order form:

Date	<input type="text"/>		
Name	<input type="text"/>	Signature	<input type="text"/>

Please send completed order forms to:

EAC Network Solutions, The Old Dairy, Park Grange Farm, Thame Park Road,
Thame, Oxfordshire OX9 3PW
