Test for Entrance into Year 12 in September 2026

Theatre Studies A-Level (AQA)

Time allowed:

45 minutes

Name

School

Total marks: 25

Instructions:

Write about a piece of live theatre you have seen (this may be in a theatre or a digitally recorded live performance).

Analyse and evaluate how the theatre makers created impact for the audience. You may choose to focus on one or more of the following:

- the acting and use of voice and movement
- the use of design (such as set, costume, lighting, sound or projection)
 - the director's choices in bringing the performance together
 - the overall impact of the production.

You should:

- give clear examples from the performance you have seen
 - explain how these examples created meaning or effect
- evaluate how successful you think they were in engaging the audience.
